All advertising rates are net. First-time advertisers pay one month in advance. Repeat advertisers are billed upon publication, and payment is due upon receipt of invoice. Advertisers agree that frequency discounts are extended in anticipation of the fulfillment of a multiple-insertion contract. Contract defaults will result in back billing for insertions previously run at the discounted rates. One month notice is required for contract cancellation.

Attention: If new ad copy is not received at The Bulletin by the published ad copy deadline each month prior to publication, the most recent submitted copy will be used. If no copy is received, advertiser will be billed nonetheless. Please see ad copy deadline schedule for monthly details.
